- **Kutztown University: Patterns for Success Drum Major Camp (July 9-12, 2023)**
 - Patterns for Success will lead Drum Majors through workshops designed to introduce teaching techniques, build visual skills, develop music proficiency, and practice calling commands. Workshops will be held in both large and small groups providing many opportunities for interactive and engaged learning.
- **West Chester University Band Leadership Training (July 22-23, 2023)**
 - This leadership intensive experience is built for any student looking to enrich their leadership skills. Interspersing interactive clinics with classroom-style instruction gives each student an opportunity to develop active listening skills, interpersonal development, positive attitudes, self-discipline, and much more.
- **INCOMPARABLE Workshops at West Chester University (July 24-27, 2023)**
 - Student participants will work with our educational team to develop performance techniques and leadership skills in their area of emphasis (Drum Major, Winds, Color Guard, Battery Percussion, Front Ensemble). Participants will also engage in a collaborative and goal-oriented full-ensemble environment while assembling a Capstone Demonstration to be performed at the conclusion of the workshop.
